

Great Results Guarantee

Under this agreement for 2014
Nagoorin State School will receive

\$5,000*

This funding will be used to

- Ensure that all students either achieve the National Minimum standard in literacy and numeracy or develop an evidence based learning plan for students who are below the National Minimum Standard.
- Improve students reading outcomes from Prep-4.
- Improve teacher and teacher aide capability through coaching and professional development in Explicit Instruction to improve student performance.

Our strategy will be to

- Work individually with students to develop reading decoding skills through explicit instruction in phonics. (*High Yield Pedagogies – Hattie and Marzano; Reading by Six by OFSTED*)
- Access expertise to upskill staff in Explicit Instruction (*Archer and Hughes*)
- Review student performance data five weekly in literacy and numeracy. (*John Hattie*)

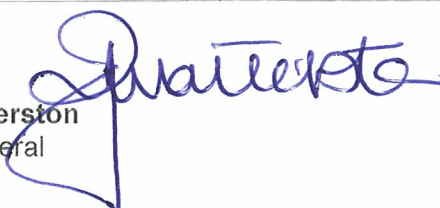

Our school will improve student outcomes by

• Hire a part-time teacher aide to support individual students	\$5,000.00
• Visit from PEA-AC and pedagogy coach for professional development for teachers/teacher aides	\$0.00
• Visit from PEO - school improvement for development of assessment plan and data tracking.	\$0.00
